

TRIPLE "S" Specialties Corp.

PVC PLASTIC SADDLE "T" KIT

- * Schedule 40 DWV fits inside;
- 1 1/2" Schedule 40 DWV with a bushing
- * Solvent weld to pipe * Includes nuts and washers
- * 4" inlets designed to accept 4" Schedule 40 DWV pipe
- * 3" inlets designed to accept 3" Schedule 40 DWV pipe
- 11-03332 3" x 2" PVC Saddle T Kit
- 11-03342 4" x 2" PVC Saddle T Kit
- 11-03343 4" x 3" PVC Saddle T Kit
- 11-03344 4" x 4" PVC Saddle T Kit

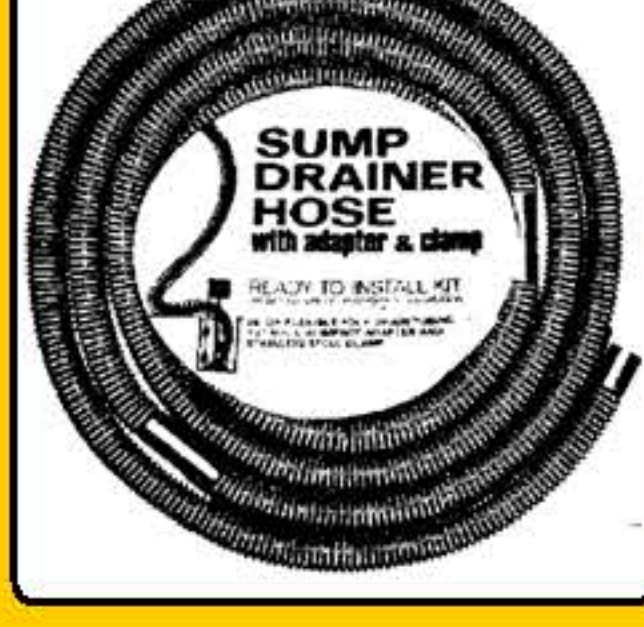

CAST IRON TAPPED SADDLE "T"

- 11-03541 4" x 1 1/2"
- 11-03542 4" x 2"
- 11-03543 4" x 3"

SUMP PUMP HOSE KIT

- 11-04200 1 1/2" x 24' Corrugated plastic hose
stainless clamp
1 1/4" insert x 1 1/4" plastic mips adapter
1 1/4" insert x 1 1/2" plastic mips adapter
- 11-04500 1 1/2" x 24' Corrugated plastic hose
stainless clamp
1 1/2" x 1 1/2" plastic male adapter

SUMP PUMP KIT ADAPTERS

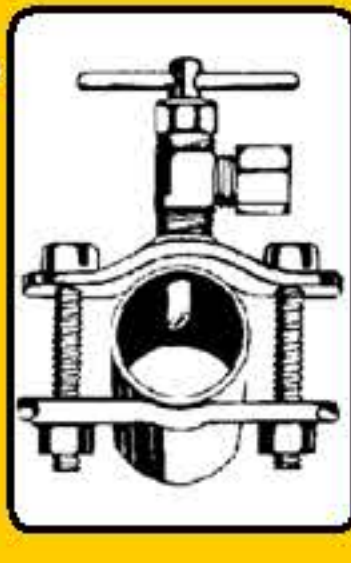

- 11-04001 1 1/4" insert x 1 1/4" mips
- 11-04002 1 1/4" double insert coupling

SELF PIERCING SADDLE VALVE

A self-tapping saddle valve for instant connection to water supply lines without shutting off the water, ideal for humidifiers, ice cube makers, evaporators, etc. Connects 1/4" bleed lines from 3/8" to 3/4" copper tubing.

- 11-05000 competitive
- 11-05500 domestic

EJECTOR CHECK VALVE-3 PC

- 11-07125 1 1/4" - 1 1/2" Ejector Check Valve
- 11-07150 1 1/2" - 1 1/4" Ejector Check Valve
- 11-07200 2" Ejector Check Valve
- 11-07300 3" Ejector Check Valve "Cast Iron" Body
- 11-07305 3" Ejector Check Valve "Plastic" Body

COMPRESSION EJECTOR CHECK VALVE

- Hand tight compression type ends
- Prevents Backflow of water and odorous gases
- Positive shut off * Removable cleanout
- Saves time * New improved solid flapper
- 11-14125 3 Way combination fits 1 1/4" IPS - 1/2" IPS
and 1 1/2" Copper Ejector Check Valve
- 11-14200 2 Way Combination fits 2" IPS or 2" Copper

UNIVERSAL CHECK VALVE

- 11-19125 One valve will fit 1 1/4" corrugated hose;
1 1/4" polyethylene; 1 1/2" ABS/DWV pipe
coupling; 1 1/4" steel pipe.

FULL FLOW SILENT EJECTOR CHECK VALVE

- 11-21125 1 1/4" - 1 1/2" Ejector Check Valve
- 11-21150 1 1/2" Ejector Check Valve
- 11-21200 2" Ejector Check Valve

ICE MAKER INSTALLATION KIT

Kits come with self-piercing fittings and saddle valve, 25' of 120lb. PSI plastic tubing.

- 11-06000 FLASH KIT-contains compression fittings necessary for many installations.
- 11-06500 TRIPSCO KIT-complete kit containing all instructions. Includes fittings for all compression or flare connections.

COPPER ICE MAKER INSTALLATION KIT

Kits come with copper tubing; self-piercing saddle valve compression and flare fittings necessary for all ice maker and humidifier installation.

- 11-08016 COPPER KIT-16' of copper contains compression and flare fitting necessary for all installations.
- 11-08025 COPPER KIT-25' of copper contains compression and flare fitting necessary for all installations.

STAINLESS STEEL ICE MAKER INSTALLATION KIT

Kit comes with Stainless Steel Hose - Valve - Fittings

Contains stainless steel hose, compression fittings, flare fittings and saddle valve. Fits most ice makers.

- 11-17072 72" Stainless Steel Ice Make Kit with Valve & Fittings
- 11-17120 120" Stainless Steel Ice Make Kit with Valve & Fittings
- 11-17240 240" Stainless Steel Ice Make Kit with Valve & Fittings
- 11-17300 300" Stainless Steel Ice Make Kit with Valve & Fittings

DISHWASHER INSTALLATION KIT

Installation kit contains stainless steel supply line, compression adapter and instructions for easy installation.

- 11-09048 48" IP x IP Dishwasher Installation Kit
- 11-09060 60" IP x IP Dishwasher Installation Kit
- 11-10048 48" OD x IP Dishwasher Installation Kit
- 11-10060 60" OD x IP Dishwasher Installation Kit
- 11-10072 72" OD x IP Dishwasher Installation Kit

Dishwasher Supply Line Kit with Hose Adapter

Stainless Steel Supply Line and Swivel Hose Adapter

- 11-10348 48" Supply Line
- 11-10360 60" Supply Line
- 11-10372 72" Supply Line
- Fits Amana®, Jenn-Air®, Kitchen Aid®, Maytag®, Whirlpool®

Universal Dishwasher Supply Line Kit

Stainless Steel Supply Line,
3/8" MIPS Adapter and Swivel Hose Adapter

- #11-10548 48" Supply Line
- #11-10560 60" Supply Line
- #11-10572 72" Supply Line

Fits Amana®, Jenn-Air®, Kitchen Aid®, Maytag®, Whirlpool®, and most other dishwashers

ADD-A-DISHWASHER INSTALLATION KIT

Installation kit contains a stainless steel supply line, compression adapter, create-a-valve, and instructions for easy installation.

- 11-15148 48" Add-A-Dishwasher Installation Kit
- 11-15160 60" Add-A-Dishwasher Installation Kit
- 11-15172 72" Add-A-Dishwasher Installation Kit
