

TRIPLE "S" Specialties Corp.

PORC-a-FIX® Porcelain Touch Up

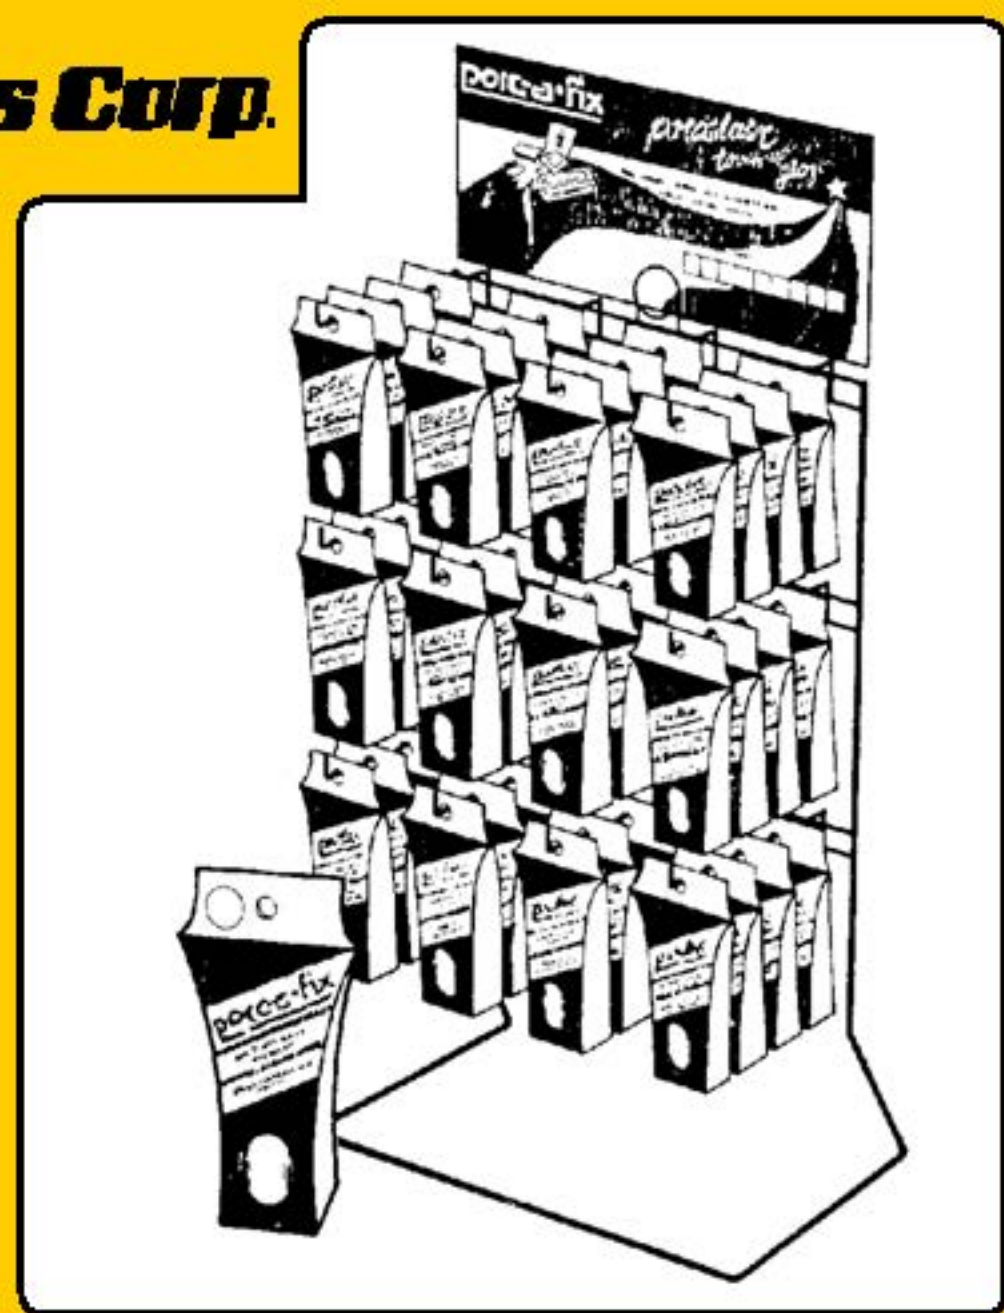

Unique way to repair chips, dents, and scratches to porcelain bathtubs, sinks, refrigerators, ranges, washers and dryers with perfect color matched colors.

All colors are created to match the colors of the leading manufacturers of porcelain fixtures.

Each package contains:

- 15cc of touch-up material
- Brush-top applicator
- Special garnet paper and complete instructions

Every package is individually number coded and color-coded.
